DAY 02

JETWING WARWICK GARDENS - NUWARA ELIYA

Set off from the quaint coastal town of Negombo into the central highlands of Sri Lanka. Your journey will take you through scenic mountain ranges and lush tea plantations. Nuwara Eliya is characterised by its misty and cooling weather, winding roads and numerous colonial bungalows scattered around resembling a quaint old English countryside.

Your stop for the night, Jetwing Warwick Gardens is a charming colonial bungalow located amidst the picturesque landscapes of Ambewala, a small hill station in Nuwara Eliya. Jetwing Warwick Gardens consists of five elegantly furnished rooms taking you back to a bygone era.

DAY 03**JETWING WARWICK GARDENS - NUWARA ELIYA**

Make an early start and visit Horton Plains National Park. The Park is a protected area in the Central Highlands rich in bio-diversity. The Plains are also headwaters of three major rivers in Sri Lanka. View the sunrise from the edge of World's End (a sheer cliff with a drop of approximately 4,000 feet) as well as visit Baker's Fall (standing at 6 feet).

Return to Jetwing Warwick Gardens for a wonderful spread of the typical tea planter's breakfast. After enjoying a warm cup of Ceylon tea, set off on a tea culture tour inclusive of treks through tea plantations and a visit to a tea factory to learn the art of brewing a perfect cup of Ceylon tea.

Spend your evening in the well-kept gardens of Jetwing Warwick Gardens enjoying a delicious assortment of snacks complemented by a cup of freshly brewed tea/coffee.

DAY 04**JETWING KADURUKETHA - WELLAWAYA**

After breakfast, head over to Wellaway, a small town surrounded by lofty mountain ranges, bountiful paddy fields and fresh water streams and waterfalls. Wellaway is located approximately 31 kilometres from Ella.

Jetwing Kaduruketha is a unique agro-luxury Resort nestled amidst the Poonagala mountain range, paddy fields and natural forest. Exuding rustic charm and elegance from the moment you arrive, the Resort offers twenty-five unique dwellings. The highlight of your stay will be your very own butler; your personal travel companion throughout your stay. On arrival, enjoy a refreshing drink of beli-mal (a natural herb) with a piece of jaggery, a favourite of our guests.

Enjoy an invigorating bicycle ride in the late afternoon to the Handapanagala Tank, a water tank located approximately 32 kilometres from the resort. The Handapanagala Tank is well known for the gathering of elephants foraging for water and food.

DAY 05

JETWING KADURUKETHA - WELLAWAYA

Wake up refreshed to the cooling breeze sweeping over the paddy fields and the cries of the resident peacocks outside your own private dwellings. Enjoy an authentic Sri Lankan breakfast with pol roti (traditional flat bread made with fresh coconut and flour), milk rice accompanied by lunu miris (a spicy mix of onions and green chillies).

Choose from a range of exciting excursions and activities available at the resort. Take a refreshing walk through a rural village across paddy fields and farming land. Enjoy a lunch at a farmer's house along with tea and sweet meats to follow.

DAY 06
