DAY 02

JETWING KADURUKETHA - WELLAWAYA

After breakfast, head inland to Wellawaya, a small town surrounded by lofty mountain ranges, bountiful paddy fields and fresh water streams and waterfalls. Wellawaya is located approximately 31 kilometres from Ella.

Arrive at Jetwing Kaduruketha, a unique eco-luxury resort perfect for an idyllic holiday. Jetwing Kaduruketha is Sri Lanka's first agro-based resort with twenty-five dwellings spaced out over an expanse of 60 acres of land. Jetwing Kaduruketha is set apart from the others with its personalised butler service- your very own travel companion throughout your stay.

Make sure to enjoy the delectable cuisine prepared for you by the resident chef offering you a glimpse into the delicacies of the local palette.

DAY 03-04 JETWING KADURUKETHA - WELLAWAYA

Over the next few days, explore the surroundings populated by numerous mountain ranges and waterfalls. You can hike to the top of the fall head of Sri Lanka's second highest waterfall Diyaluma and enjoy a picnic among the grasslands.

Wellawaya and its surroundings have a rich cultural and historic significance. Set off to visit the ancient cities of Buduruwagala and Yudaganawa that have numerous remnants of ancient stupas, temples and statues. You can also make a visit to the Biso Kotuwa complex (an ancient hydraulic invention of the cistern sluice) which coincidentally is the inspiration behind the pool at Jetwing Kaduruketha.

If you are an ardent tea lover, a visit to a tea plantation is a must do while at Jetwing Kaduruketha. Make a visit to the largest tea factory in the Badulla District and learn firsthand the secret behind the perfect cup of Ceylon tea. Make sure to pay a visit to the Lipton Seat, a precipice giving out one of the most breathtaking views of the surrounding plains. Named after Sir Thomas Lipton, one of the famous British planters in Sri Lanka, it is said the Lipton Seat was one of his favourite places to visit in Sri Lanka.
