I. Introduction

Minutes away from the bustling Jaffna city centre lies Jetwing Mahesa Bhawan, a quaint, Jaffna style bungalow with a history that dates far back to 1935. The abode stood through the elements and thirty years of war in the North, becoming another dilapidated house among many in the city. Carefully and lovingly restored to its former glory, Jetwing Mahesa Bawan today includes four spacious rooms tastefully decorated and equipped with modern amenities, a dining room, a living room, an open patio, and offers authentic home-cooked Jaffna meals and warm hospitality that only add to its charm.

2. Location

Perched on top of our paradise island, Jaffna is a city that is adorned with rich culture and heritage. Lying on the quiet residential 3rd Cross Street in Jaffna, Jetwing Mahesa Bhawan is well away from the hustle, yet conveniently close enough to all the main transport terminals and experiences the northern peninsula has to offer.

3. Rooms

All four rooms are furnished with warm earthy tones and modern conveniences, giving them a modest yet rustic appeal.
