01. INTRODUCTION

Jetwing Vil Uyana is a true lifestyle hotel that embodies the ultimate in eco friendly luxury. Inspired by the local, rural traditions, the buildings blends into the landscape. The challenge of introducing a wetland system on reclaimed agricultural lands provides the unique backdrop for this exciting property. A strong 'back to nature' theme pervades your every moment at Jetwing Vil Uyana and the uniqueness of the experience is unforgettable.

Jetwing Vil Uyana is also a member of Kiwi Collection – the world's largest and most diverse curated collection of luxury hotels.

02. LOCATION

Jetwing Vil Uyana is located within 5 kms from the historically significant site of Sigiriya - considered to be the 8th Wonder of the World. The hotel is about 169 km from Colombo (a 5 hour drive) or 153 km from the Bandaranaike International Airport (a 5 hour drive). The land area of the hotel is 28 acres.

03. ROOMS

The hotel is possibly the first in the world to construct a wetland system with lakes and reed beds to form a private nature reserve, allowing dwellings to be built in and over water, paddy field, forest, marsh and garden surroundings. The property is amidst parklands and woodlands, as are the hotel's dwellings, thereby giving the guest a unique opportunity of witnessing the magnificent environment at its best.
